Fish Wildlife and Parks Spring Cleaning Service Project

Fish, Wildlife and Parks needs volunteers to help with a "Spring Cleaning Day" at Spring Meadow Lake State Park. Duties would include hand-pulling dead weeds and cleaning up litter and debris in the area around the south end of the lake, near the spring that feeds the lake and along the trails and beaches. Volunteers may also help with cleaning the interior of the Stedman building or other minor maintenance chores in preparation for the spring/summer season.

Volunteers working outside would need appropriate clothing and footwear, ideally including some with rubber boots for wet areas.

FWP would provide gloves, trash bags and hand tools (e.g. rakes, shovels, brooms, etc). FWP willl provide bottled water and snacks (e.g. granola/energy bars).

Transportation will be provided to and from both HHS and CHS.
